Honorable Allen W. Dulles, Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

Thank you for your letter of October 29th.

I am interested solely in any possible proposal which might be helpful. In that connection, I am very glad to have not only your letter but the copy of your letter to Senator George.

It did seem to me, after reading the Hoover Commission Report and some of the news accounts, that it might be helpful to have a specific proposal, not necessarily covering the suggestions made by Senators Smith and Mansfield.

I hope to be in Washington sometime this month and will welcome the opportunity of talking with you about this prior to the convening of the second session.

Sincerely yours,

(Signed) John W. Heselton
